

February 29, 1988 LB 1162
 LR 297

to Wahoo and tell Jim Fauver, Jim, going to have to cut my taxes down...

SPEAKER BARRETT PRESIDING

SPEAKER BARRETT: One minute.

SENATOR SCHMIT: ...80 percent this year, I'm not going to pay them. He's going to say, Loran, good friends as we are, if you don't pay them in three years, I'm going to advertise them and someone is going to come in and take your farm, that is my responsibility, my job. Remember this, we have levied a tax for a specific purpose to build overpasses. It will take 260 years to complete the job at the present rate. Senator Vard Johnson says he doesn't want to lose the million, four. Ladies and gentlemen, that million, four is about one-sixth percent gasoline tax, doesn't amount to a hill of beans. If it's unconstitutional, let's take it off. If it is constitutional, let us make it worthwhile and reasonable to do the job that it was established for in the first place. This vote, ladies and gentlemen, is a more important vote...

SPEAKER BARRETT: Time has expired.

SENATOR SCHMIT: ...than many of you will cast on this floor. I ask that you bring the bill back to the floor notwithstanding the action of the Revenue Committee.

SPEAKER BARRETT: Thank you, sir. You've heard Senator Schmit's closing and the question is placing LB 1162 on General File notwithstanding the action of the Revenue Committee. Thirty-three votes are necessary. Those in favor of the motion please vote aye, those opposed nay. Voting on the Schmit motion to pull the bill from committee. Have you all voted? Record, Mr. Clerk.

CLERK: 10 ayes, 21 nays, Mr. President, on the motion to raise the bill.

SPEAKER BARRETT: Motion fails. Anything for the record?

CLERK: Yes, Mr. President, I do. New resolution offered by Senator Chizek and a number of the members. (Read explanation of LR 297 as found on page 1064 of the Legislative Journal.) That will be laid over, Mr. President.
